Cash payment of pension savings - before retirement

I wish to have my pension savings disbursed to me in return for paying up to a 60% tax to the state. Read more about taxes and charges on www.industrienspension.dk/skat. I understand that my Industriens Pension membership and rights will cease.

We are reviewing information regarding you

To assess, whether we can pay out your pension savings, we need to review the details that we will receive regarding you. We have the right to do this in relation article to 6 of the General Data Protection Regulation (GDPR)

When we payout your money, we will give Nets your cpr-number and the amount to Nets, if the money is to be paid to your Nemkonto. When we have to calculate the tax, we will also give your cpr-number to SKAT along with details regarding the tax.

On Industrienspension.dk/persondata, you can read more about your rights, also how we process your personal details, and how long we will keep the details. You can also find additional information, if you have a complaint.
